

TOWN OF MEEME DOG LICENSING INFORMATION

WHO NEEDS A DOG LICENSE:

Every person who owns, harbors, or keeps a dog more than five (5) months of age on Jan. 1, or five (5) months of age within the license year shall annually, or within 30 days from date such dog becomes five (5) months of age, pay the dog license fee and obtain a license as provided by the provision of Chapter 174 of the Wisconsin Statutes.

HOW DO I GET A LICENSE:

Complete entire application and return with a **separate check** for the correct fee for total of all dogs being licensed. PLEASE REMEMBER THE RABIES CERTIFICATE! Do not send their health history or invoice. When mailing or dropping off an application, include a self addressed, stamped envelope for your new certificate/s and dog tag/s.

REQUIRED:

State law requires each dog over five (5) months of age to be vaccinated against rabies by a veterinarian. **A copy of the rabies vaccination for each dog from the veterinary clinic showing the expiration date and vaccine manufacturer is required.** Failure to provide the required documentation will prevent your dog from being licensed.

LICENSING DEADLINE:

April 1, or within 30 days of acquiring a licensable dog.

LATE FEE:

\$25 for the first dog, \$10 for each additional dog filing fee for failure to license by deadline will be charged and must be sent with license fee.

NO LONGER HAVE A DOG:

Notify treasurer in writing to be removed from list.
